

ROBERT WOOD JOHNSON
MEDICAL SCHOOL

University of Medicine & Dentistry of New Jersey

Depression and Social Support in Parkinson's Disease (PD)

A study for PD patients and their families funded by the National Institutes of Health (NIH)

Do you have PD and suffer from these symptoms?

- ◆ *Getting more and more isolated*
- ◆ *Feel sad or empty most of the day*
- ◆ *Difficulty falling asleep or staying asleep*
 - ◆ *Loss of interest in daily activities*
 - ◆ *Unable to concentrate*
 - ◆ *Feeling tired all of the time*

HELP US FIND ANSWERS

Dr. Roseanne Dobkin at the Robert Wood Johnson Medical School in New Jersey is conducting a 10-week treatment study of depression in PD. **The study treatment does not involve medication** and helps people to change thinking patterns and behaviors that may be related to depression. **Participation may take place over the phone for those who are unable to travel.**

All research care including an extensive psychiatric evaluation is provided at no cost to those who qualify. A friend, family member, or significant other will also be asked to participate in the study. *Participants are paid \$20.00 for each study evaluation.*

**For more information, please call Dr. Dobkin at:
732- 235-4051**
