November Membership Meeting

CAPS ROUNDTABLE

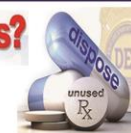

This month we will host a roundtable discussion and forum. Conducted once or twice a year, these sessions provide an accepting, open opportunity for CAPS members to interact and share experiences in a relaxed and non-threatening environment. Collectively, CAPS members have a wealth of practical experience in dealing with the effects of Parkinson's disease. Please join us to share, ask questions and have some fun in the process! CAPS Membership Meetings are free and open to all those in the Central Texas area with an interest in Parkinson's disease. Plenty of free parking too!

Refreshments will follow. Members are encouraged to bring their favorite snacks and/or cookies to share.

Saturday, November 10 • 2:00-4:00 p.m.
Medical Office Building, St. David's Medical Center
3000 N. IH-35, 5th Floor Conference Room
